From the Apache Gaming Commission:

***“Apache Gaming Commission (AGC) COVID -19 Policy”. This plan presents what we will do to keep our guests and team members safe. The AGC now issues a temporary suspension of Gaming Operations due to a positive case of a Golden Eagle Casino team member. The closure will begin at 6:00PM on June 24, 2020 through July 14<sup>th</sup>, 2020.***

***During this time, we will follow our Environmental Public Health & Safety checklist recommendations along with screening measures and utilize our designated sanitation vendor. It is in the best interest of our patrons and the employee personnel to have temporary closure of our gaming operations.***

At this time, we ask for your patience as we move forward, feel free to contact our Gaming Commission Compliance officer @ (405) 641-3515.

Sincerely,

***Apache Gaming Commission- Commissioner***
