Anadarko, OK — The temporary closure of Casino Oklahoma and Gold River Casino will begin tonight at Midnight (12:00 am CST), through at least Tuesday, March 31, 2020 when officials will evaluate re-opening operations based on information from the CDC

The health and safety of our patrons and employees is of great importance. While there have been no reported cases of COVID-19 at any of our properties, we have determined it to be in the best interest of our patrons and employees to temporarily close Casino Oklahoma in Hinton and Gold River Casino in Anadarko (other entities?) in accordance with health official directives. All employees will receive their pay and benefits during this temporary closure. We will post updates to our websites and social media based upon the best available information as they occur.
