

Sugar Creek Casino says they are in it to win it.

HINTON, OKLA. June 4, 2020 -- Sugar Creek Casino, announced they will be reopening from the Covid-19 pandemic and they are in it to win it says Glen Coleman, General Manager of Sugar Creek Casino.

Coleman says entry rules will probably be one of the toughest in the state but we are in it to win it; that is the war against the Covid -19 virus. We are like anyone, we want to make money but protecting the lives of our guest and employees means more than just money.

We pride ourselves in being family friendly with all ages welcome to our restaurant and most of the time all ages are welcome to our concerts and events and feel an obligation to protect those families. This virus has no conscience and it will attack anyone and we are declaring war on the virus to protect these families that have become like ours over the last 11 years.

Our rules for entry will be tough in the beginning until control over the virus gets better and we can start dropping them one at a time, like America in general, we can get back to some normalcy.

We plan to reopen on June 8th at 10 am with hours Sunday through Thursday 10 am to 2 am where we will close for sanitizing and open 24hrs on Friday and Saturday nights sanitizing in the wee hours. Our requirements for entry are everyone must wear a mask, have their temperature taken and be less than 100 degrees, use a hand sanitizer, agree to social distancing and no smoking.

We have been voted # 1 for Casino Entertainment the last 2 years in a row and are again this year we are in the Top 5 for the voting starting June 21st and hope to make it to # 1 for 3 years in a row. We have won this because we do care about our guest and try to give them what they want and we have a duty to continue to protect them. We have postponed all of our entertainment until August at this time and we do hope to be back to normal.

We have also been nominated in the Best Gaming category again this year. We came in 2nd place last year and hope you will consider us again. This year after a rough start our new Canyons Sports Grille we really started to get it together right before we had to shut down and has also been nominated in the Best Casino Restaurant category.

We hope you come as see us soon even with the restrictions because after all wouldn't you want to come to the safest casino that wanted to protect your health and your family's health by not bringing something home to them.
