

March 18, 2020

The safety and security of our guests and team members is our top priority for all three of our casinos - Tonkawa Hotel & Casino, Native Lights Casino and Tonkawa Gasino.

While we take great pride in our high standards of cleanliness and hygiene – and have taken additional measures to make our protocols more rigorous in light of COVID-19 – we have decided to cease operations for all three of our casinos beginning Wednesday, March 18 at 11:59 PM.

All properties will remain closed until Wednesday April 1, 2020 at 10 AM. However, if anything changes the public will be notified.

This difficult decision is in the best interest of our guests, our team and our community as the current public health crisis evolves.

“We feel it is our responsibility to remain vigilant and take the right precautions to help slow the progression of this virus,” says Phillip Glass, CEO of Tonkawa Enterprises. “And closing our properties is the right thing to do. We promise to be transparent with our guests every step of the way.”

Our management team will continue to keep you informed and aware of any updates as they become available.

Thank you for your support and understanding as we all do our best to navigate this time of uncertainty.
